BERKSHIRE COACH | ULTRA 34

INTRODUCING THE BERKSHIRE COACH ULTRA 34 SERIES

When we began to develop Berkshire Coach, we made a commitment to build America's best luxury coach. After seeking input and direction from our dealers and their customers, we introduced the Ultra 28. We are now proud to add the latest model to the Berkshire Coach Ultra Series...the Ultra 34.

Built for the industry's most discerning clients, we've entered the marketplace with a first-class product and the boldness to make every option standard. Yes, everything is included, and it's all backed with the industry's first 5-year/100,000 mile, bumper-to-bumper warranty.*

We've removed the need to settle for less than what you desire. At Berkshire Coach, you always get a luxury coach custom-built by dedicated craftsmen in our Goshen, Indiana location and delivered with every amenity that previously would have cost you thousands of dollars more.
